Sub-

Sarachandra Chetty had once written to the Municipal Council about his arrears of pay, and I have not a report about his claim which is herewith sent for kind perusal. A sum of Rs 500/- has been made out as being due to him up to end of Sept^r 1918. After the demise of the Commissioner he had little or no work at all in the matter & could have gone away from Pondicherry as the majority of other Brahmin clerks did. He chose to remain & serve faithfully till the arrears question was settled once for all the agent found him to be worthy & commended for

The matter probably has left Mr Gell at any cost. He finally left Sivaganga about the middle of December 1918.

Even if his pay can be calculated up to end of December at the Rs 680- & I fail to see how he can make out 775 Rs.

He has now written thro a Lawyer.

The connected file has been mov'd & Mr Chamier for instructions or to when the Revr may see him re Conv with the settlement of the affairs of Mr Gell's late matt

He refers to a promise made by the Mun. Chpn. I am not aware of any such promise having been made by me or anybody. When he spoke to me abt it, I simply told him that the matter as to which he had to be decided by Govt. also in the case of so many others & that his pay at Sivaganga would not be any way affected & that it was best for him to go away from the place as soon as possible
